

Summer Break Strategies: IXL Recommendations

Need a fun road map for summer learning? Your child's Recommendations wall is full of skills that target trouble spots, build knowledge, and more. Click on **Learning**, select **Recommendations**, and give these strategies a try:

1.

Skills to spark curiosity:
Try something new

Exciting topics await! Your child's **Try something new** recommendations are a great way for them to keep up their learning by exploring new things.

Monthly goal: Have your child practice one **Try something new** recommendation from their wall. (SmartScore goal: 80)

2.

Skills to get unstuck:
Work it out

If your child doesn't quite have the hang of a concept, their **Work it out** recommendations will help them build foundational skills and move forward with confidence.

Monthly goal: Have your child practice one **Work it out** recommendation from their wall. (SmartScore goal: 80)

3.

Skills to keep growing:
Next up

Working on a **Next up** recommendation will help your child make even more progress by building on the knowledge they already have.

Monthly goal: Have your child practice one **Next up** recommendation from their wall. (SmartScore goal: 80)

Work it out

Stuck on a skill? Try working on these building block skills to help you tackle your trouble spots.

Keep at it

These are skills in which you're making progress but haven't yet reached excellence (SmartScore of 90).

Go for gold

You've already demonstrated excellence in these skills—now it's time to reach for mastery.

Next up

Extend your knowledge! Build upon the skills you've just learned by trying these natural next steps.

Try something new

Explore new skills or topics you haven't practiced yet.
